01010011101001100101001110110010100111011001010011101001100101
00111011001010011101100101001110100110010100111011001010011101
10010100111010011001010011101100101001110110010100111010011001
**The digital realm is biased ...because everything must be expressed in the
terms of a discrete, yes-or-no, symbolic language** 100100100111011001010
00001001110110010100111010011001010011101100100100111011001010
01110110010100111011001010011101001100101001110110010100111011001
01001110100110010100111011001010011101100101001110100110010100
00001001110110010100111010011001010011101100100100111011001010
01110100101001110110010100111010011001010011100010011101100101
00111010011001010011101100101001110110010100111010011001010011
we do have the choice to lie100101001110110010100111010011001010011
10110010100111011001010011101001100101001110110010100111011001
01001110100110010100111011001010011101100101001110100110010100
11101100101001110110010100111010011001010011101100101001110110
010100111010011001010011101100101001110110010100111010011001010
01110110010100111011001010011101001100101001110110010100111011001
You can always choose none of the above 1101100101001110100110010100
01001110100110010100111011001010011101100101001110100110010100
11101100101001110110010100111010011001010011101100101001110110
01010011101001100101001110110010100111011001010011101001100101
00111011001010011101100101001110100110010100111011001010011101
10010100111010011001010011101100101001110110010100111010011001

are.....we..... all in this together...?
